2. Background

The purpose of this Agreement is to agree upon organising an innovation challenge contest (later "Challenge") as a service (later "Service"). Host will act as the main organiser and host of the Challenge; Industryhack acts as the facilitator that offers the format of the Challenge. This Agreement sets the terms and conditions for Service.

3. Appendices

This Agreement incorporates by reference the following Appendices attached hereto:

- Appendix 1: Project outline and Pricing and payment
- Appendix 2: What is Innovation Challenge
- Appendix 3: General terms of Service
- Appendix 4: Terms of Participation
- Appendix 5: Terms of Validation

The Appendices above shall form an integral part of the Agreement. If there is any discrepancy between the Purchase Order and its attachments, the Purchase Order shall prevail.

4. Pricing and Payment

The fee payable by Host to Industryhack shall be 46 400 euros added with any applicable value added tax. The fee set out herein shall be paid against invoice with a payment term of 14 days net. Payment schedule, terms and additional costs are described in Appendix 2. In addition, Host shall reimburse Industryhack for possible travel and material costs relating to delivering the Service.

5. Making decisions during the Agreement

Parties' contact persons form Steering committee of this Agreement, which has the rights to make changes to the Project outline if unanimous. Parties have the right to change contact person with written notice.
